### Community Contributions – More Than Just a Credit Union

At Texas Plains Federal, we're proud to support the communities we serve. Here's a look at some of our recent donations:

**Floydada & Lockney VFD:** Our Floydada Branch made donations to both the Floydada and Lockney Volunteer Fire Departments as a token of appreciation for the volunteers who protect their communities.

**Tulia VFD:** This year, the Tulia Branch chose the Tulia Volunteer Fire Department for their donation, as many of their team members have family who have volunteered there. It's a cause that's close to their hearts!

**Crosbyton:** The Crosbyton Branch donated \$1,000 to the Crosbyton Church of Christ for their Elevate Retreat, supporting kids in grades 6-12. They also gave \$500 to the Crosbyton Fire Department to help with equipment needs during fire season.

**Tahoka:** We proudly supported Adrienne and her daughter in their efforts to raise funds for a service dog, which will provide much-needed safety and independence for her daughter, who has battled epilepsy since age 8.

We're committed to helping where we can and making a positive impact in every community we serve.
